A term of two (2) years shall be considered the project period for all land acquisition projects. A term of three (3) years shall be considered the project period for all recreation development projects. The Director may extend the grant term an additional two years after review and recommendation by the Natural Heritage Preservation Commission and/or the Recreation Resources Review Committee.

(F) DISCRIMINATION - Any property acquired and or developed with funds from this bond authorization shall not discriminate against persons desiring to use said property on the basis of residence, including preferential reservation membership or annual permit system which are prohibited. Project sponsors may impose reasonable limits on the type and extent of use of areas and facilities acquired or developed with this fund when such a limitation is necessary for the maintenance or preservation of the property.

RULE 12. ELIGIBLE PROJECTS

- (A) OPEN SPACE ACQUISITION PROJECT:** Open space acquisition shall be limited to the purchase of fee simple title or conservation easements over open space where such land is consistent with the "Greenways, Greenspace" element of the State Guide Plan: entitled

A Greener Path: Greenspace and Greenways for Rhode Island's Future and/or an up-to-date Comprehensive Plan, Greenways Master Plan or Watershed Management Plan or other adopted land acquisition plan that adequately assesses current and future open space requirements and needs. The plans shall include an implementation program and schedule for actions proposed to address issues and needs expressed in the plan.

- (B) **RECREATION ACQUISITION PROJECT:** Recreation land acquisition shall be limited to the purchase of fee simple title to land that will be developed for outdoor recreation purposes in accordance with a master plan for development of the property.
- (C) **RECREATION DEVELOPMENT PROJECTS:** A development project designed to provide public outdoor recreation.

RULE 13. ELIGIBLE PROJECT COSTS

- (A) **OPEN SPACE ACQUISITION AND RECREATION LAND ACQUISITION PROJECTS-** Costs incidental to purchasing land or interests in land. Eligible project costs are appraisal, survey, title search, title insurance and the purchase itself. Provided that any such costs are incurred after a grant application has been approved or after the applicant has received a waiver of retroactivity from the Director allowing such costs to be incurred in advance of project approval. Costs incurred prior to the approval of a project are at the applicant's risk and retroactive reimbursement is not assured. The granting of a waiver of retroactivity does not constitute assurance that the project will be approved.
- (B) **ELIGIBLE PROJECT COSTS RECREATION DEVELOPMENT PROJECTS -** Eligible costs for development projects may cover design, construction, site planning, demolition, reforestation, landscaping and site improvements essential to the project. Provided that any such costs are incurred after a grant application has been approved or after the applicant has received a waiver of retroactivity from the Director allowing such costs to be incurred in advance of project approval. Costs incurred prior to the approval of a project are at the applicant's risk and retroactive reimbursement is not assured. The granting of a waiver of retroactivity does not constitute assurance that the project will be approved.
- (C) **ELIGIBLE PROJECT COSTS PASSIVE PARK/ HISTORIC PARK DEVELOPMENT PROJECTS -** Eligible costs for development projects may cover design, construction, site planning, demolition, reforestation, landscaping and site improvements essential to the project. Provided that any such costs are incurred after a grant application has been approved or after the applicant has received a waiver of retroactivity from the Director allowing such costs to be incurred in advance of project approval. Costs incurred prior to the

approval of a project are at the applicant's risk and retroactive reimbursement is not assured. The granting of a waiver of retroactivity does not constitute assurance that the project will be approved.

RULE 14. ELIGIBLE APPLICANTS

- (A) LAND TRUSTS, WATERSHED COUNCILS, CONSERVATION COMMISSIONS AND NON-PROFIT ENVIRONMENTAL AGENCIES** - as defined in "Rule 5 herein" may apply for land acquisition funding. The Rhode Island Department of Environmental Management shall be responsible for determining eligibility status to participate in the Land Acquisition grant rounds.
- (B) MUNICIPAL AGENCY** - Municipal agencies, as defined in "Rule 6 herein", may apply for open space, recreation acquisition and recreation development funds. The Department of Environmental Management shall be responsible for determining eligibility status to participate in the Open Space, Recreation Acquisition and Recreation Development Grant Rounds. Eligibility is based upon the adoption and maintenance of an up-to-date Local Comprehensive Plan, Outdoor Recreation Plan and/or locally adopted land acquisition plan which adequately assesses the current and future recreation and open space requirements and needs. The plan shall include an implementation program and schedule for actions proposed to address issues and needs expressed in the plan.
- (C) NATIVE AMERICAN TRIBES** - Indian Tribes, bands, nations or other organized group which exercises governmental functions and which is recognized by the Secretary of the Interior as eligible for the special programs and services provided by the United States to Indians because of their status.

(E) DONATIONS - Applicants may use the value of donated property interests in land to be acquired or preserved as the local match, provided the value shown as a donation is sustained by a certified appraisal and the donation is part of the same project.

RULE 16. RESTRICTIVE COVENANTS

Property acquired with grant funds must be maintained and managed in the condition and for the purpose specified in its approved grant application in perpetuity. Each recipient shall execute a perpetual conservation easement, or similar document, running in favor of the State of Rhode Island and such certification shall further provide that if the recipient at any time fails in its obligation to properly maintain the property acquired in accordance with the purposes and functions for which it was acquired and in conformance with the approved management plan, if applicable, the State of Rhode Island may enforce the grant conditions in equity or, at its discretion, may assume title, custody and control to protect its interest.

RULE 17. MANAGEMENT PLAN/ OPEN SPACE GRANTS

An approved management plan meeting the requirements of such plans established in the Rules and Regulations of the Rhode Island Natural Heritage Preservation Commission of the State of Rhode Island and Providence Plantations, November 1986, as amended must be submitted and approved prior to the release of grant funds. If public access is deemed appropriate, the recipient shall not discriminate in providing access or in fees charged for access.

RULE 18. CONVERSION

Any property so acquired or developed shall not be wholly or partly converted to a use other than the purpose specified in its approved grant application without the approval of the Director. The Director shall seek recommendations from the Natural Heritage Preservation Commission and the Recreation Resources Review Committee on all conversions. The Director has the authority to disapprove conversion requests and/or to reject proposed property substitutions.

RULE 19. RECREATION ACQUISITION AND DEVELOPMENT GRANTS MANAGEMENT / MAINTENANCE AGREEMENT

Each applicant must submit with the application a signed maintenance and management agreement stating the applicant's ability to manage and maintain the improved/acquired recreation facility. The city/town council where said project is located must approve the project and maintenance / management agreement by resolution guaranteeing future maintenance/ management of the facility.

RULE 20. SEVERABILITY

If any provision of these Rules and Regulations, or the application thereof to any person or circumstances, is held invalid by a court of competent jurisdiction, the validity of the remainder of the Rules and Regulations shall not be affected thereby.

RULE 21. EFFECTIVE DATE

The foregoing rules and regulations, for the Environmental Management 2000 Open Space Bond Authorization, after due notice and hearing, are hereby adopted and filed with the Secretary of State this _____th day of _____, 2005, to become effective twenty (20) days thereafter, in accordance with the provisions of Section 42-17.1, and Chapters 42-35 of the General Laws of Rhode Island, of 1956, as amended.
